- Students will move in cohort groups where possible and reasonable to try and limit possible exposure.
- Schedules may be adjusted to reduce the number of students passing in hallways.
- Lockers will be assigned in a way which limits close contact between classes.
- Lunch times may be staggered to reduce the number of students in the cafeteria and allow for some social distancing. Some students may eat in other areas of the school or outside, weather permitting. Lunch will be pre-loaded on trays and served to the students. Students will not be punching in their lunch codes.

**School Spaces**

- Social distancing on school buses will be difficult so we encourage parents to consider alternate transportation to and from school if possible.
- Students in grades 3-12 will be encouraged, but not required, to wear a face covering while riding the school buses.
- Buses will be filled from the back to the front.
- An additional bus route will run for Burlington town students.

**Buses**

- If students are allowed on the playground when arriving at school, each grade level will be assigned to a certain area to limit contact between grades.
- Each grade level will have recess separately throughout the day.
- Equipment such as basketballs and footballs will be disinfected at the end of each recess.
